

3CM WHITE PEARL QUARTZITE

\$3,343 per slab

Aria Stone Gallery's White Pearl is a particularly pristine, consistent specimen, as well as large in size. A beautiful neutral with warm gray and taupe striations, this quartzite's organic horizontal veining flows delicately across the canvas creating a pristine and uniform natural design. It is very rare to find a bundle of White Pearl that's tone is true to the name; a bright, glowing white.
